Town of Caledon
Multi-Modal Transportation Master Plan

Notice of Study Completion

The Town of Caledon (Town) has developed a Multi-Modal Transportation Master Plan (MMTMP). The MMTMP expands upon the previous 2017 Transportation Master Plan (TMP), the Province and the Region's plans and initiatives to address mobility needs to 2051, which is consistent with the new Official Plan planning horizon. The MMMTP is a long-term strategy that guides the planning, policy, and infrastructure needs of the Town's multi-modal transportation system to accommodate future growth and development.

The Study informs the process of creating a transportation system that meets the varying needs for different residential areas and businesses through the creation of a vision and goals for all modes of travel. The aim of the MMTMP is to ensure that by 2051, the Town will manage future transportation demand with a well-connected, convenient, reliable, safe, and accessible network and provides a diversity of travel choices that supports livable communities and complete streets. It defines required infrastructure to ensure the continued safe and efficient movement of people and goods to the year 2051 and will form the basis to guide future transportation decisions for the development of streets, trails/paths, and transit service to align with the Town's vision and goals.

Process

The Study was carried out in accordance with the requirements of Phases 1 and 2 of the *Municipal Class Environmental Assessment* (October 2000, as amended in 2007, 2011 and 2015), which is approved under the *Ontario Environmental Assessment Act*. The MMTMP follows Approach #1 of Master Plans under the *Municipal Class Environmental Assessment* (MCEA) process which is a broad level assessment requiring more detailed investigations at the project-specific level in order to fulfill the MCEA requirements. The MMTP considered and evaluated solutions to determine an accessible, affordable, safe, and sustainable transportation network. Public Information Centres (PICs) for this Study was held on March 24, 2021, May 12, 2022, and September 19, 2023.

30-Day Review Period

The MMTMP is being placed on the public record and will be available for a 30-day review period starting June 26, 2024 and ending July 25, 2024 to meet requirements of the MCEA process. An electronic copy of the MMTMP is available for viewing at: www.haveyoursaycaledon.ca/mmtmp.

To provide comments on the project, or if you require alternative accommodations to view the ESR, please contact the Study Team before 4:30 p.m. on July 25, 2024:

If concerns arise regarding potential adverse impacts to constitutionally protected Aboriginal and treaty rights, a request for an order requiring a higher level of study or conditions on those matters should be submitted in writing to the Minister of the Environment, Conservation and Parks and the Director of the Environmental Assessment Branch. The request should be sent in writing by mail or by email to:

Minister of the Environment, Conservation and Parks
Ministry of the Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto, ON M7A 2J3
Minister.mecp@ontario.ca

Director, Environmental Assessment Branch
Ministry of the Environment, Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto, ON M4V 1P5
EABDirector@ontario.ca

Requests should also be copied to the Study Team by mail or by email. Please visit the ministry's website for more information on request for orders under section 16 of the Environmental Assessment Act at: https://www.ontario.ca/page/class-environmental-assessments-section-16-order

For more information, including study documentation, please visit the study webpage at: www.haveyoursaycaledon.ca/mmtmp.

Project and notice information will be made accessible upon request in accordance with the Accessibility Standard for Information and Communication under the *Accessibility for Ontarians with Disabilities Act, 2005.* Information will be collected in accordance with the *Municipal Freedom of Information and Protection of Privacy Act.* With the exception of personal information all comments will become part of the public record.

This Notice first issued on June 26, 2024.
